Subject: [EXTERNAL] Check In on Diverters (Title 20)

Hi Daniela –

I understand that you have the lead for the CA utilities team on CEC rulemaking for tub spout diverters. We also have an interest in supporting revised Title 20 standards for these products, as they offer a cost effective opportunity to save both energy and water. Any chance we can compare notes with you and/or your technical consultant? I'm around today and tomorrow, but after that I'll be out of the country for the rest of June.
