Subject: Meeting in person Monday the 13th
Date: Thursday, July 09, 2015 9:20:50 AM

Amy

I have to be at a department meeting on Tuesday at the Marriott. I would like to come down Monday and work with you at your office. I find this can be more efficient than exchanging emails. It would be good for me if I could show up around 10 am.

We do not need to meet the whole time since I can work anywhere with my office in my backpack.
