Question 12a-b:

Will you seek to contract with a single, third-party implementer to design and implement a single intervention strategy?

- a. If so, why?
- b. If not, why?

Response to Question 12a-b:

SCE does not plan to limit its solicitation to contracts with single, third-party implementers for single intervention strategies. SCE expects that it will award contracts to third parties that offer a mix of intervention strategies, but it will depend on the proposals received.
