Please refer to the consensus definitions developed in the PA/TURN/ORA budget template (functions definitions tab) for responses to this section. Please provide responses in tabular form.

Provide a headcount of all individuals who charge any portion of their time to EE balancing accounts for each year of the business plan, 2018-2025. [Note: for this response individuals who charge to multiple functional categories should be counted only once]

**Response to Question 09:**

SCE has not projected headcount of individuals funded by EE balancing accounts for 2018-2025 either in total, by functional category, or with assumption that individuals who charge multiple functional categories are counted only once. Accordingly, such information is not provided in response to this question. -
