Question 42:

What are the proposed criteria for authorizing representatives to participate on the Program Council?

Response to Question 42:

The criteria for roles, responsibilities, tasks, length of appointment, and other expectations including time-commitments are all under consideration and not yet determined. The IOUs shared an initial framing for a statewide governance structure in the jointly filed “Statewide Administrative Approach” as a part of the Business Plan application in January 2017. The IOUs continue to collaborate on the structure and anticipate having more details in place for statewide program implementation.
