Hi Everyone:

I won't be attending our upcoming statewide meeting next week. My Mom passed away over the weekend, so I'm heading out to Knoxville, TN (where she lived in an assisted living facility) and help my Sister with the many details we need to address. We're co-executor's on her estate, so the we're just beginning to discover the amount of paperwork needed to make sure everything is in order. Adrian will be attending all three days and I believe John Barbour will be coming up on the train for Tuesday's meeting, so they'll do a great job representing SDG&E.

I also wanted to give a very BIG shoutout to Pat for the HUGE recognition he just received. Pat, sorry I can't be there to buy you a beer in celebration but know you've paved the way for all of us to be here today. YOU ROCK!!

Looks good to me.

Question – what does the first item relate to? I'm new so I'm not sure what the "Reorientation of PG&E advocacy and overview of New PG&E Projects" is. Also, do you maybe want to have a discussion regarding new projects for each IOU on Day 1 and then report that out to Paula on day 2?

A few potential agenda items below for your consideration.

- Day 1 Agenda

Reorientation of PG&E advocacy and overview of New PG&E Projects
(potentially include in Day 2)

IOU Coordination with CEC

Gas Furnaces?

C&S relative to each IOU's business goals (do we need to continue this?)

- Day 2 Agenda – with Paula

2016 Business Plans

Relationship and standing with CEC

Thank you.
