Hi Bo,

Thank you for the questions. After reviewing internally and discussing with PMI, we found that most of the information is proprietary and the rest has been provided by PMI.

We will defer to the information that PMI is able to give for this activity.

Thanks,

Andy Bonlender

Hi Andy,

Please let me know what dates and times you are available for a short interview. How about 2:30 PM tomorrow (7/13) or 3:30 pm on Friday (7/14). We'd greatly appreciate your participation.

Thanks,

Bo

Hi Andy,

Here attached are our over-arching questions and some guidance about the interview. Please let me know if you have any questions.

Can we schedule our call for 9 am on Wednesday 7/12? If that doesn't work, how about 2:30 pm on Thursday 7/13?

Thanks,
Bo

Hi Bo,

I would be happy to speak with you.

I am not sure what you will be asking and tub spout diverters are not a big part of our offering. Please send me the questions you will be asking so we can prepare for the interview.

Thanks,

Andy Bonlender

Comments: Hello, NegaWatt
has been by retained by
SoCalGas on behalf of
California's Statewide Utility
Codes and Standards Team to be
the technical lead of the Title 20
tub spout diverter Codes and
Standards Enhancement (CASE)
project. We're interested to get
your valuable input and would
like to please schedule a 30 – 45
minute phone interview. If you
are available, may you please let
me know your preferred date and
time? If you are not the
appropriate person in your
organization to ask, may you

please direct me to them? Thank you for your time and consideration, Bo White, PE, on behalf of the Statewide Utility Codes & Standards Team
