Subject: Tub Spout Comments Docket 17-AAER-09-b FOR YOUR REVIEW AND APPROVAL

Sue,

Attached is a draft of the Tub Spout comments should we decide to move forward with providing to the CEC. I think this letter is showing our support overall for the Commission's work on the appliance.

Please let me know your thoughts on whether we will be moving forward with submittal as it will need IOU review prior to tomorrow morning's call.
