Thanks for the heads up. We're ready for that, since I already reviewed the manufacturer comments and it's our primary research topic.

Hello Daniela,

The agenda looks good. We do want to discuss automatic reset diverters (which seems to be the focus based on the comments) and what efforts can be made to gather data for these types of diverters.

Hi Jessica,

I wanted to follow up on the agenda for tomorrow's meeting.

Please see below:

- Introductions
- Tub Spout Diverters Comments
- **CASE Report Schedule - Negawatt to provide project overview and milestones**
- **Stakeholder interactions**
 - **Manufacturer interviews**
 - **Test lab interviews**
 - **Review and address 3rd party comments**
- Roundtable/Questions/Comments

Please let me know if you have any updates or changes.

Thank You,

Daniela Garcia

Hi Jessica,

Yes, that works, I will send out an updated meeting invite.

Also, we have a proposed agenda below:

- Introductions
- Tub Spout Diverters Comments
- **Stakeholder interactions**
 - **Manufacturer interviews**
 - **Test lab interviews**
 - **Review and address 3rd party comments**
- **CASE Report Schedule - Negawatt to provide project overview and milestones**

With concerns regarding the comments I thought we should keep the agenda simple and allot time for discussion.

Please let me know if you would like to make any revisions.

Thank You!

Daniela Garcia

Jessica,

I am Daniela from SoCalGas and we will be leading the Tub Spout Diverters measure on behalf of the IOU's. I've also cc'd our technical consultant, Negawatt. I would like to set up some time next week for us to discuss the research plan and next steps.

Will any of these dates and times work for you:

Tuesday – 10am, 11am

Wed – 10am, 11am

Thursday - 2pm, 3pm

Friday – 9am

Look forward to hearing from you.

Thank You!

Daniela Garcia
