QUESTION 48

Response to Data Request Question 15 states that all participating technicians for commercial HVAC programs are required to be either a Journeyman with 5+ years of experience or apprentices currently enrolled in or having completed a federal or California state apprenticeship program. CEE has been unable to confirm the existence of this requirement in the documents provided. Please identify the document, page number and section where this requirement is contained.

ANSWER 48

The Commercial HVAC program participation guide includes the requested information in Section 11, "Contractor/Technician Participation Information." This information is on pages 26-31, which is being provided as part of this data response.
