Marc and Bo,

I set up a call for us to touch base on Tub Spouts, there's been lot of activity over the weekend 😊. With the upcoming meeting with the CEC on Wednesday I wanted to give a heads up as early as possible for some actin items that cam e out of meeting this morning.

- SW IOU team has decided that we should provide supportive comments to the CEC during our meeting on Wednesday. Would you be able to provide a draft by tomorrow to send to the IOUs prior to the meeting with the CEC?
- Research Plan the SW IOUs in advance of the CEC meeting, would this be able to be provided by COB Tues 6/27?

Apologies for the short turn around, please let me know your thoughts.

Thank You,

Daniela Garcia
